

DANE'SHA NICOLE

Dane'sha Nicole Bullard, a pure vocalist simply known by her stage name Dane'sha Nicole is a singer, songwriter, and actress. Born in Springfield, Ohio, she began singing at a very young age and found her vocal roots like many legendary artists, in church. After being classically trained at Central State University, she relocated to Tallahassee, Fl. in hopes of better opportunities in perusing her music career. Since her relocation, for the past 5 years Bullard has been a fan favorite for Tallahassee Nights Live, a multi-faceted show that provides their guest with a live musical experience featuring sounds from every genre of music.

An exceptional vocalist with an anointed spirit, her art of storytelling through vocal acrobatics is nothing short of brilliant. From the first note she sings Dane'sha Nicole pulls you in, to the middle note she belts through the last note she slays she captivates you with pure ear candy.

Dane'sha Nicole has shared the stage with many greats such as The O'Jay's, Fantasia, Kim Burrell, Trinitee 5:7, Tamika Scott, Kurtis Blow, K Michelle, and Shirley Murdock to name a few. She has also backed up New Jack City's R&B

Soul King and Real Housewives of Atlanta newest co-star Christopher Williams. Bullard received a standing ovation from former Philadelphia Chapter Grammy President David Ivory for her organic and soulful rendition of Funny Valentine at Ace Entertainment's 3rd Annual Got Talent? Bring It! Music Workshop & Showcase. Invited to perform at the 2013 BET Awards Pre-show, Dane'sha Nicole paid homage and wowed the audience with an acapella intro singing Real Love by Mary J. Blige, followed by an emotional; heart wrenching It Kills Me by Melonie Fiona.

Dane'sha Nicole is multi-talented, she is a singer/songwriter, master hair stylist and professional makeup artist, she also is an emerging actress and can be seen in Star Size Studios Curvy Girls commercial.

Currently she is working to use her talents to help with breast cancer and Lupus awareness. She has also been casted on the highly anticipated web series "Love Chemistry". Dane'sha Nicole is in the studio working on her project slated to be released in 2014.
