### **I Can't Hide It**

Paul and Silas were locked up in jail; Just like some of us got locked up in our own living hells. The enemy tried to steal GOD'S praise, so he locked'em up in chains and threw the keys away. In their darkest hour something happened; Paul starts singing & Silas

start shout'n. The ground start shaking. Their chains start Breaking. The enemy got confused. He said, "What kind of noise are they making?"

See when God shows up, He displays His power. They kept praising, God shut the whole place down. Paul never worried. Silas never fret. They served a mighty God, and I bet they said

### **(Chorus)**

I  
can't, (I can't hide it)  
get, (so excited)  
Sometimes, (I can't contain it) (I can't stop)

**Lord They think I'm going crazy cuz I, I hear'em talking 'bout me, but I don't care Lord. I'm a keep right on praising your name.**

**V2-** Here's another one. I'm sure you all know about this Hebrew boy, they called him Daniel. The King said, "Stop Praying!!!" Daniel refused. They threw him in the Lion's Den; they thought he would get chewed. The king said, "Is it done?" The guard said, "Naw!", "That ole' crazy lion won't even open his jaws." See, when God shows up he displays his power. Daniel kept praying; the LORD rebuked his devour. Daniel never worried, Daniel never fret. He served a mighty God, and bet he said-- **(CHORUS)**

**V1**- The Lord of the heavens is calling his army, so put your war cloths on. All you kingdom warriors, make sure you know your sword. Don't bow; the day of the Lord is upon us right now.

**(Chorus)**

**V2**-(ENEMY) you continually yield to satan, You mock and insult my God. Murderers of innocent people, your hands are cover in blood. Your lives have become so perverted; you indulge in wicked desires. Repent now and turn to god, or your soul will burn; or keep lying, killing, and stealing; you blasphemers keep mocking God. See, your mouth spews corruption, misery, and destruction. Enemy your days are numbered; this, the LORD has spoken.

Holy nation raise your banner, Holy nation raise your banner high. Resist the devil, he'll flee from you. Draw near to God, and He'll draw near to you

So, keep fighting, keep praying, keep believing, whoa. Keep pressing, no weapon formed against you, whoa. Repent, right now, while you have time. Return to God & reclaim your life. . Surrender right now, while you have time. Declare for God I live & God I'll die
