He has sent Me to proclaim freedom to the captives and recovery of sight to the blind, to set free the oppressed. Jesus of Nazareth!"

*I was once a victim of horrific events, as I lived in a fear-based, trauma-based way. When we are exposed to high levels of fear and trauma, demonic forces will be attracted to it. Then they will increase in numbers and intensify the situation. However the antidote to fear is faith! Once we step into what I call "Warrior Mode" (faith-strength-courage) we can begin to live a great and blessed life... **Bill Bean***
