"Janice McLean DeLoatch's Red Carpet Television Screening was Awesome!! The event was very upscale and high-end. I was able to meet and connect with talented, smart productive people who supported my business with many sales that evening."

Shireen

"Great Event and Networking Opportunity from a business perspective. The event was well put together from Cello Players to Michael Jackson Impersonator. The JMD Red Carpet Gala and Television Screening Event was home to many entrepreneurs and business owners, many of whom did not have a business banking relationship with their banks! We look forward to partnering again on this event."
