

# GOODNGONE

GOODnGONE is a rocking Texas country band who makes their home in the North Dallas area. With Jimmie Davidson on lead vocals, David Daniels on lead guitar, Richie Davis on drums, and Shane Treadway on bass guitar, they bring a fresh and modern edge to country music. Since forming in 2009, they have played at venues across North Texas and Oklahoma to include The House of Blues, WW Fairfields, Bill Bates Ranch, and The Allen Event Center. GOODnGONE's original material combines modern country-rock guitar work with a touch of classic twang. GOODnGONE's influences include The Randy Rogers Band, George Strait, and Jack Ingram.

The band has over 70,000 views and 40,000 plays at [numberonemusic.com](http://numberonemusic.com)
