“6 oh 4 Band” was fantastic! The Band knew how to make our 40 - 80 year old group dance like teenagers again! We really enjoyed how they interacted with our audience to make us feel connected to the music and themselves, even getting some of our folks up to sing with them. They worked very hard, played long sets without losing any energy from one set to another. **“6 oh 4 Band”** has a lot of heart, soul and professionalism!”

“**Sgt. Major**” – Garry McNab - Garry is a local musician with quite a long history of playing. Garry has travelled across Canada and Europe as a member of the Canadian Forces. For 25 years, he was a soldier during the day and a guitar player at night. He played in several local bands including "**JOKER**", "**Quintessence**", and "**The Ray Myers Band**". His only claim to fame is playing in the warm-up band for "**Bill Haley and the Comets**" when he was stationed in Germany. Garry is a left handed guitarist. He likes to repair guitars, pedals and tube amps, and has a collection of “lefty” guitars: Larrivee RS-4, and RS-4 CM, Telecaster, and a Strat. Garry likes to play dance-friendly shows which are a great place to showcase his talents. His goal is to play music for people who love to sing and dance and have a good time.

“**JR**” – John B. - John was born at a very early age in life and is an import from Brisbane, Australia. Sometime after walking he started learning music which became an obsession in his life. He toured with a number of local and international artists such as *Sting, Al Jarreau, Peter White, James Taylor, Maurice White* and *The Idle Rich*, before coming to Canada and playing with some fine local bands, such as: *The Wild Palominos, Quintessence, Posing ‘Till Closing, Heist, Nightfire, Oxygen* and, last but not least, together with a great bunch of guys, helped formed the *6 oh 4 Band*.

John holds a B.Sc. in Electronics and a Licentiate in Music. He has spent most of his time in both, Australia and South Africa, either touring, writing music, or in recording studios. He loves making people happy and seeing the smile on their face.

“**Bert M**” – Originally from the East Coast, has been performing since he was a youngster. Bert has always managed to be involved in a variety of Productions.

Experience ranging from Vocalist - Drummer working and touring in various Show Groups and Top 40 bands across Canada eventually led him to Tapping, International Commercials and Voice-Over Work. Working either as a Solo, Duo Performer or in a Group Situation he’s always up for the challenge and helps the audience become involved.

Music has always been at the forefront of interest to Bert. His love in all genres of music has helped him to get to where he is today, and he looks forward to meeting you all.....

“**Manny A**” another import from the UK, is a dynamic, soulful saxophone player that began playing as a teenager. He studied under the renowned English tenor Don Rendell and continued his studies at the Barry School of Music in Wales. He initially started playing in jazz groups then went on to Rock/Soul bands touring England, Europe, and Canada. Manny hung up his saxophone to raise a family but in recent years has regained his passion for playing saxophone. His inspiration comes from the extremes of Coltrane to Bobby Keys
