

## Kemical Reaktion

Since 2002 Terry Dyck (AKA Kemical Reaktion) has been contributing to the prairie music scene as a DJ, and a promoter. His DJ style has evolved into a fluid concoction of Drum and Bass, breaks and fun funky bass music.

Current projects include hosting Saskatchewan's Official Shambhala Music Festival Pre-Party, co-hosting VISION - Drum and Bass club night, audio tech for Pro Plus Production and Talent Buyer and Artist Relations at Groove Pusher Events.
