"GUIDELINES TO STARTING AND MAINTAINING A CHURCH DANCE MINISTRY" AMAZON REVIEW (5.0 out of 5 stars)

"Excellent book!!! This book is scripturally based and makes dance ministry very clear and easy to understand. It covers everything from the origin of dance; reasons dance is a crucial part of our church service today; to the mechanics of Dance ministry. Every Dance ministry should have each of their members read this book. It's an excellent book choice, for both, pastors and dance ministries, alike."
