

PUSH Play

Push Play is the next stop in D. Floyd's, over 40 year musical journey. After retiring from Go-Go music in November 2019, it was his plan to venture into Rhythm & Blues (R&B). He wanted to create a group that was Grammy nomination worthy and that would appeal to real R&B lovers, people who grew up listening to Jill Scott, Chaka Khan and Lauryn Hill. With the creation of Push Play he has done just that! D.Floyd has assembled a group of incredible musicians that is sure to take listeners for a GREAT trip “Back Down Memory Lane.”

The group is comprised of: Youngman Lee on drums, Dr. Joc on percussion, Lotty on Keyboards, Dave LaVoix on keyboards and vocals, Jamo 88 on bass and D.Floyd on Sax. Ms. Pam Ward will be driving the bus from the lead vocal microphone so PUSH PLAY and enjoy the ride!
